I will send to all on our side with the exception of DOD. I do not have a contact for DOD. Thanks, Kevin.

Honestly, at this point I'll take 1:00. Seems like more people can come the 18th. It is a kick off meeting. We will have plenty of opportunities for all day meetings. Do you want to send the email or should I?

Sharon:

On the 18th three of the parties can't make it in the morning. I would suggest a 1:00 pm start with the room reserved for us at noon. What are your thoughts? I know you were aiming for a full day.

Thanks, Kevin

Hi Kevin,
Looks like the 18th works for EPA and more parties than the 20th so let's go with the 18th. Do we want to say 10? Is later preferred? Do you want to meet amongst yourselves before or after our meeting? I have everyone's email addresses so I can send an email out. Let me know the time. I'll let you know when I have a conference room.

Sharon
